

MASTER OF ARTS IN TEACHING

Testing Requirements

- Candidates seeking licensure with an **elementary focus (grades K-5)** must complete and pass the **Elementary Education Subtests I and II**.
 - To register and for more information regarding this test, go to www.orela.nesinc.com, click on “Tests” and then select “Elementary Education Subtests I and II.”
- Candidates seeking licensure with a **secondary focus (grades 6-12)** must complete and pass the **ORELA Subject Area test** in the area(s) he/she wishes to teach.
 - To register and for more information regarding the test(s), go to www.orela.nesinc.com, click on “Tests,” and then select the area you wish to teach.
- **All candidates** must complete and pass the **Protecting Student and Civil Rights in the Educational Environment test**.
 - To register and for more information regarding this test, go to www.orela.nesinc.com, click on “Tests,” and then select “Protecting Student and Civil Rights in the Educational Environment.”
- For MAT licensure test resources, such as licensure test study guides and test taking tips, please see our [MAT Licensure Test Resources webpage](#).
- **If your test scores are not from within the last five years, you will need to retake and pass any tests that are out of date.**
- **If you are accepted to the June 2019 MAT program cohort, you will be conditionally admitted pending successful completion of all required tests by June 1st, 2019.** No MAT candidate will be permitted to begin clinical experience in the Fall (second) semester of the program until all testing requirements are complete.
