OPPORTUNITIES

## UP's Innovative MAT Program + Beaverton School District

- MAT Candidates can apply for a **unique field experience** during their student teaching in the Beaverton School District.
- Selected candidates may have the **opportunity to be employed by the Beaverton School District as building substitutes** in their assigned student teaching school.
- Each day that candidates are engaged in a substitute role, they will be **paid at the current district rate**.
- After completing their MAT program, candidates may be **hired as full-time substitutes** by the district.
- The combined substitute experience can garner candidates the **opportunity to earn income while student teaching** and provide them with valuable teaching experience as they seek full-time teaching positions.
