

12-9A

Dear Ant Bully,

In my opinion after ^{not} reading
the book [^]He[^]Little I think
the boy should not st^hish the ant.
Let me share a few reasons
why I think ant should be saved.

First, what would you want the ant
ant to do if the ant was you and
you were the ant. Next, the
nest mates need the ant
because he is strong.
